Peculiar Cemetery has created a Web Site for your viewing. Our Site will help with information that you may need, such as cost, plot locations, rules and regulation and much more. Peculiar Cemetery was Created in the 1800's and is the Final resting place for over 1000 beloved ones. It is a quiet and peaceful cemetery where we can honor those that are buried there with dignity and respect. Peculiar Cemetery is preserved by a group of caring Volunteers in our community. The Cemetery has many on-going needs in terms of general maintenance, and beautification. The Peculiar Cemetery is a non-profit organization. It is Tax-exempt under Section (501c13) of the Internal Revenue Code, so contributions to the Peculiar Cemetery are deductible as charitable contributions.
